Jubilee Cars

Jubilee Cars Stanmore Ltd is an established Private Hire company. We carry passengers all over London & South East England.

The whole Mini-cab industry has been regulated. Under the new legislation we are now known as the PRIVATE HIRE Industry.

We wish to advise you that as a licensed company, we comply with all the new legislation and hold extensive records.

All vehicles and drivers are now fully licensed by the Public Carriage Office. We ensure all driver documentation is kept up to date i.e. insurance to carry fare paying passengers, M.O.T. certificates, Tax discs, copy of driving licenses, vehicle registration documents, licensing documents, photo IDs and National Insurance details.

We employ a large fleet of professional, friendly drivers with quality cars and guarantee a first class service.

We trust you will find the prices listed on our website highly competitive. We can also give you prices for other journeys too.

We render accounts fortnightly and our terms are 15 days credit.

If you would like any further information or would like someone to come and see you, please contact Emma Berry, Company Secretary
